

The Pioneer Creek bridge on the Conover-Phelps Trail

80% of the Conover-Phelps Trail, the first leg of the GHT trail system, is in place now...

Help us keep the system growing!

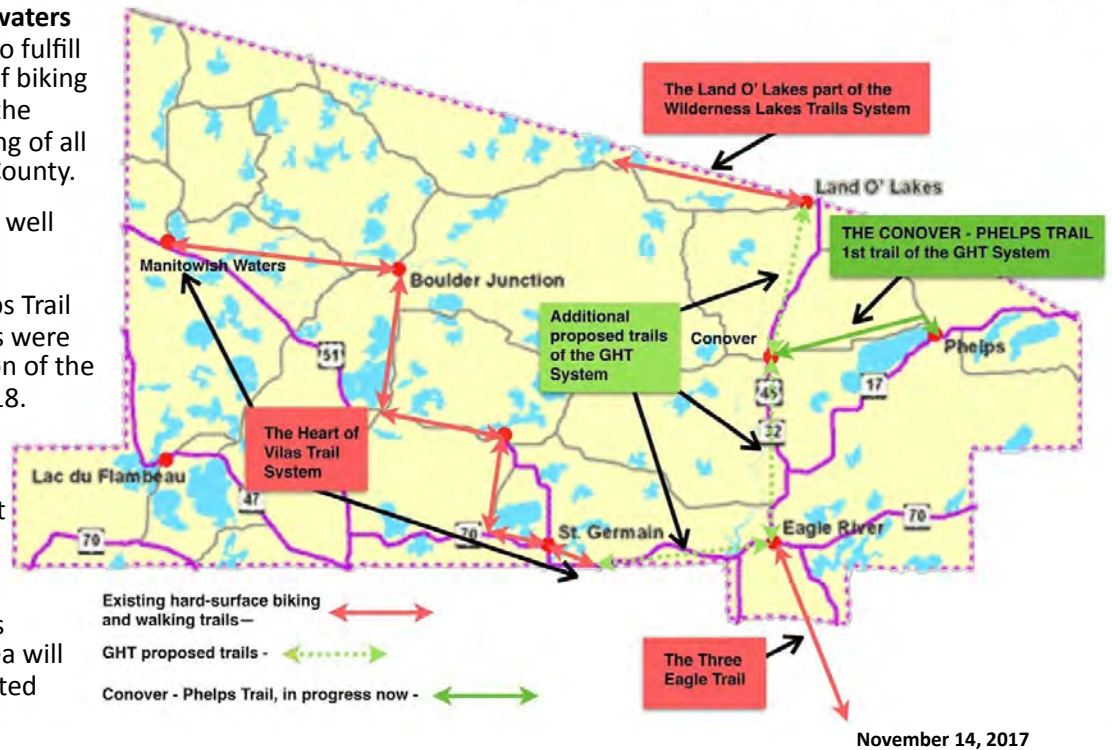

Founded in 2010, **Great Headwaters Trails** continues to work hard to fulfill its mission: to build a system of biking and walking trails to enhance the economic vitality and well-being of all communities in eastern Vilas County.

Development of that system is well underway.

3.2 miles of the Conover-Phelps Trail was built in 2015 and 5.5 miles were added this summer. Completion of the final 2 miles is targeted for 2018.

While we work to finish that trail, planning is underway for the River Trail that will connect Eagle River to St. Germain and the Heart of Vilas trail system.

When the entire GHT system is complete, the Vilas County area will have over 110 miles of connected family-friendly, off-road trails. **Help us make that happen!!**

Yes! I want to help bring a premiere Bike-Ped Trail System to eastern Vilas County!
