

Complete the trail - By the yard, by the mile!

A final connection waiting to happen, a community asset for generations to come

The Conover-Phelps biking and walking trail will provide visitors and residents with fun, healthy activity in a special place for years to come. And it is the most straightforward and simple part of a developing picture that will bring extra economic and community vitality to both of these eastern Vilas County towns.

- **NINE MILES OF FINISHED TRAIL WERE ENJOYED THIS SUMMER** - Conover's park amenities, bridges over two creeks, and the journey through wetlands and woodlands are drawing rave reviews.
- **THE FINAL TWO MILES OF TRAIL ARE 90% FUNDED AND READY TO BUILD** - With \$376,000 now available, the trail's last section is only \$30,000 away from being fully funded. The last section will connect right into Phelps' lakefront park. Funds available include a \$150,000 DNR grant, a \$20,000 grant from Wisconsin Valley Improvement Company, and more than \$200,000 from over 450 members of the growing Yard & Mile Club.

Add your support to help complete the trail!
