

Homestretch Campaign Leadership Fund Letter of Understanding

Introduction - The goal of Great Headwaters Trails' 2020 Homestretch Campaign is to raise at least \$200,000 to 1.) fund construction of the last section of the Conover-Phelps Trail, and 2.) establish a long term Enhancement Fund for the trail. To establish a Leadership Fund to help meet that goal, Jennifer and Marty Flanagan will match all donations or pledges of \$5,000 or more up to \$80,000. **This challenge match ends on September 30, 2020.** The Great Headwaters Trails Foundation is a local 501(c)(3) all-volunteer group working with the towns of Phelps and Conover to build the trail.

Purpose - It is understood by Great Headwaters Trails that the Leadership Fund is being established and enlarged with the express purpose of, first, funding the completion of the Conover and Phelps Trail and, with that done, establishing a long term Trail Enhancement Fund.
