## **\$5,000 year-end challenge fund matched!**

### **Thank you to everyone who has supported our work so far! (There is more to do...)**

We are grateful for all the donors who have contributed to GHT's progress up until now, and especially thank those of you whose donations combined to surpass the \$5,000 challenge fund announced just last month.

As we said then, we're enjoying the glow of achievement as 2021 comes to an end, and we look forward to accomplishing more good things in 2022. Tackling the Wisconsin River bridge phase of the River Trail is at the top of the list for next year.

We are still accepting donations to support that price-y project and to build up the Conover-Phelps Trail Enhancement Fund. You can [make a donation online](#) to help us meet either of those goals. You can also mail donations for either purpose to GHT at PO Box 609, Eagle River, WI 54521.

Thank you, and Happy New Year!
