

A local all-volunteer nonprofit organization

Building more biking and walking trails as we head into our 2nd decade!

A nonprofit can get a lot accomplished when it has hardworking volunteers and committed people, businesses and organizations to provide strong moral and financial support.

Since its founding in 2010, Great Headwaters Trails has been fortunate to have those volunteers and that support. That has enabled us to do a lot when it comes to building and advocating for accessible and safe biking and walking infrastructure for the communities of eastern Vilas County.

Please consider donating today to help us continue our efforts!
