

A local all-volunteer nonprofit organization

Building family-friendly biking and walking trails in Eastern Vilas County.

A nonprofit can get a lot accomplished when it has hardworking volunteers and committed people, businesses and organizations to provide strong moral and financial support.

Since its founding in 2010, Great Headwaters Trails has been fortunate to have those volunteers and that support. That has enabled us to do a lot when it comes to building and advocating for accessible and safe biking and walking infrastructure for the communities of eastern Vilas County.
